

## **QUALITY AND ENVIRONMENTAL POLICY OF IBERALCOHOL S.L. AND COR QUIMICA S.L.**

Our quality and environmental policy has two fundamental axes:

- ✓ To exceed the needs and expectations of our customers by increasing the quality of our products, processes and services.
- ✓ Support environmental protection and pollution prevention.

To achieve this, our company is based on the following principles:

- Continuous improvement of the Integrated Quality and Environmental System (complying with the requirements of ISO-9001 and ISO-14001 Standards).
- Compliance with applicable regulations, legal requirements and other requirements to which the company subscribes in terms of Quality, Environment, Safety and Health at Work.
- Motivation and training of all personnel.

This policy also constitutes the framework for establishing improvement objectives.

The company is committed to provide the necessary technical and human resources for the development of the same.

The company's scope and policy apply to the following activities:

Cor Quimica S.L.: Storage, packaging and distribution of chemical products. Iberalcohol S.L.: Storage, packaging and distribution of chemical products and ethyl alcohol.
