
FOOD SAFETY POLICY OF IBERALCOHOL S.L.

At Iberalcohol we are aware of the importance of Food Safety and, therefore, we are strongly committed to our suppliers and customers to ensure the safety of the products we distribute through our Food Safety System.

Our food safety policy is based on the following principles:

- ✓ Ensure the safety of potable alcohols (pure alcohols, spirits, distilled spirits) from their manufacture to the customer.
- ✓ To carry out the compliance with regulatory and legal requirements as well as the requirements agreed with customers in terms of food safety.
- ✓ To have a fluid communication both internally and externally for the compliance and continuous improvement of the system.
- ✓ Train and motivate workers to perform their duties within the framework of food hygiene, maintaining updated training to contribute to the improvement of food safety.

The company is strongly committed to the continuous improvement of the Food Safety Management System, and this Policy constitutes the framework for the establishment of improvement objectives.

The company is committed to provide the necessary technical and human resources for the development of the same. The company's scope and policy apply to the following activities:
Iberalcohol S.L.: Storage, packaging and distribution of ethyl alcohol for food use.
